

# Office of Legacy Management

**April, 2004**

**Michael Owen  
Director, Office of Legacy Management**

# Legacy Management Goals

- **Goals**

- Long-term Surveillance and Maintenance
  - Protect human health and the environment through effective and efficient long-term surveillance and maintenance
- Land and Asset Management
  - Manage legacy land and assets, emphasizing safety, reuse, and disposition
- Work Force Restructuring and Benefits Management
  - Support an effective and efficient work force structured to accomplish departmental missions, and assure worker pension and medical benefits
- Records and Information Management
  - Preserve, protect, and provide access to legacy records and information

# Sites Transferring to Legacy Management

- **LM will inherit 105 sites through 2009**

- **Site Transition**
  - LM organized to ensure a successful handoff of sites from EM to LM
    - Site transition coordinators
    - LM “on location” staff for transition and intergovernmental/stakeholder participation
    - Site Transition Framework high level checklist for ensuring comprehensive transfer
  - LM-1 and EM-1 will meet on a regular basis to discuss the status of site transfer for EM closure sites

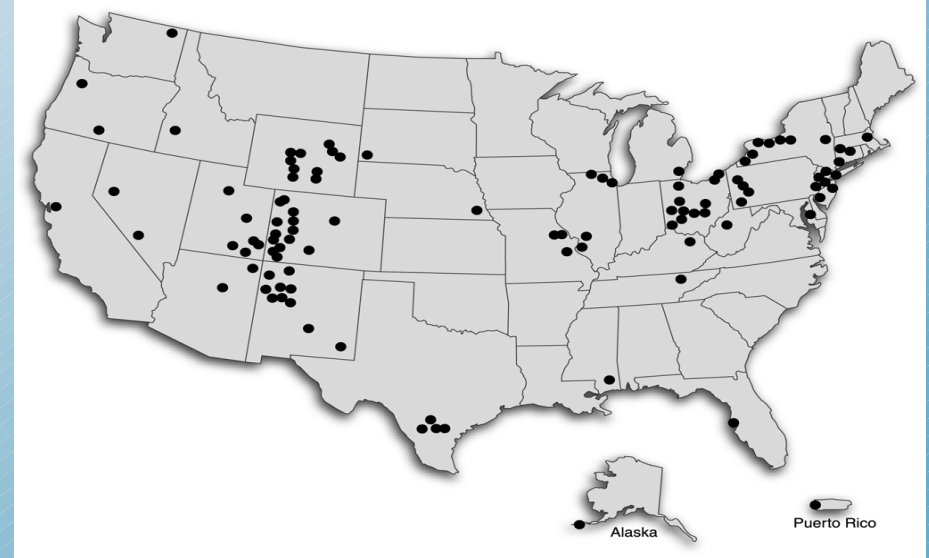

# Long-term Surveillance and Maintenance & Site Reuse

- **LTS&M**

- LM staff has over 14 years expertise providing cost effective and efficient LTS&M
- Currently LM is responsible for LTS&M activities at over 37 facilities where active remediation has been completed and no continuing departmental mission exists
- Long-term surveillance and maintenance activities include:
  - Leachate collection and disposal
  - Monitoring institutional controls
  - Groundwater monitoring
  - Erosion control

- **Site Reuse**

- LM is committed to managing legacy land and assets, emphasizing safety, reuse, and disposition
- Map illustrates the 105 sites LM is prepared to receive for LTS&M through 2009

# Worker Benefits

- **LM is committed to supporting an effective and efficient work force and sustaining the continuity of their pension and medical benefits**
- **LM is and will continue to:**
  - **Mitigate work force impacts caused by departmental restructuring**
    - **Goal: Support work force restructuring efforts/maintain effectiveness of contractor work force**
  - **Ensure continuity of workers pension and medical benefits**
    - **Local location for employees to get their questions answered**
    - **National Contractor Concept**
    - **Goal: Provide a smooth seamless transition ensuring former contractor employees receive their benefits**

# Records and Information Management

- **LM is committed to preserve, protect, and provide access to legacy records and information**
- **LM will inherit several hundred thousand cubic feet of records**
  - **LM will manage all closure site's records and information transferring into its authority**
- **Inherited records from closure sites will support the LM's mission in a number of ways:**
  - **Provide information for long-term surveillance and maintenance**
  - **Provide information for administering worker pension and medical benefits**
  - **Ensure that the public and stakeholders have access to information**
